

Club Installation includes visit of Oriental Guide to his home Club

OAKVILLE SHRINE CLUB

Oakville Shrine nobles and a number of their ladies attended the recent installation of our 46th. President, Noble Bryce McBain and his board of directors.

In addition to our Illustrious Potentate, Raymond Causton, the club welcomed their own member, Noble Terry Lamping, recently elected Oriental Guide who received a loud and warm welcome

Our outgoing President, Noble Dave Warrington spoke with regard to his challenge of obtaining ten new members into Shrine. While our goal was not achieved, we did induct four new Master Masons into the Shrine and or Club.

Cheques in the amount of \$23,000 were presented to our Ill. Potentate representing earnings from Christmas cake sales and our Bingo efforts. These funds were primarily due to the efforts of our President and Past President Douglas Clouse, to whom the members showed their appreciation for not only their efforts, but for the time they have allocated to assist our Hospitals.

Noble Bryce then outlined his programme for his year which would include a visit to a Shrine Hospital and meeting nights which would include our ladies. He has asked our Past President to chair the membership committee with the challenge to introduce 10 Master Masons to Shrinedom.

Our Potentate concluded the evening with an enthusiastic and inspiring talk on the Shrine.

All visitors will receive a warm Oakville welcome on the third Wednesday of each month at the Monte Carlo Inn.

Ken and Kathy Rice receive their 100 Million Dollar Certificate.

Kawartha Firemen's Unit Christmas Gift

KAWARTHA SHRINE CLUB

The Kawartha Shrine Firemen's Unit presented a 100 Million Dollar Certificate to Ken and Cathy Rice the owners of M&M Meats in Peterborough. Through their kind generosity over the years we have raised funds for Shrine activities including the Shriner's Hospital for Children. We also assist them in their annual Crones and Colitis fundraiser on a voluntary basis.

This year our Unit also donated \$1,000 to the Wish List for the Montreal Shriner's Hospital. There are many items that the Hospitals have to raise their own funds for and if you ask they will supply you with a copy of their Wish List.

We have had a very successful year and our new web site is up and running with links to the TLC Unit in Edmonton, Rameses Temple and Imperial in Tampa.

Have a look at <http://www.kawarthafiremen.ca>
Come and join us we are a fun Unit.
